

GHA
Schools Competitions Report - November 2020

After consultation with WHA and due to the on-going national Covid-19 situation GHA took taken the decision to postpone all National Schools Tournaments this side of Christmas. This was communicated to all schools and posted on our website. Unfortunately that has meant no girls schools competitions have taken place either at county or regional level.

At the time of writing it is unclear whether we will be able to go ahead with the competitions in the New Year. Should we be able, we will do so under guidance from England Hockey and the relevant government authorities.

The situation will be reviewed in December.
